To whom it may concern,

I am writing in regrds to Court Rule No. 2003-47. It seems that Michigan and the Michigan Supreme Court are being used as tools of the asbestos industry and big business to deny working people their constitutional rights to jury trials when harmed by corporate misconduct. The crisis in Michigan is the failure of corporations to take responsibility for their bad actions and the willingness of big business and certain conservative republican judges to blame the victims of corporate misconduct instead of holding the corporations accountable.
